Empowerment. Sustainability. Hope.

Mission, Vision & Values

Empowering individuals to live successfully!

We provide quality care to each individual.

We create a positive and healthy environment for the people we serve, their families, our communities and for our employees.

We provide excellent training and support to ensure that our employees are successful in providing excellent care.

We Act with Integrity and Show Respect

We are all accountable

We are passionate about our company and about servicing our community

We love success

Employment Services?

Our goal is to work with all members of the community – including individuals with disabilities, service providers, government agencies, advocacy groups, existing organizations and employers – to eliminate barriers to employment and bridge the gap between job seekers with disabilities and the employers who want to hire them. Offering:

- Job Development
- Pre-Placement (Job Skills Training)
- Job Placement
- Job Retention
- On-Going Support
- Transportation
- Personal Care Services
- Referral to Needed Services
- Pre-ETS
- Peer Mentoring
- Career Camp

Our Promise

We will contact participant within 24 hours upon referral.

We will go above and beyond to ensure participants' complete satisfaction.

We will serve participants with utmost respect and care.

We will encourage participants to expand their horizons and reach for unlimited possibilities.

We will treat each participant as if he/she was the only participant. That's the 'special treatment' we offer each individual we work with.
